RE: Approval of 2018 Holiday Schedule

SUMMARY

The proposed 2018 holiday schedule is attached.

Each year, the Library observes 13 federal and state holidays during the year. If one of the holidays falls on Saturday, it is observed on the preceding Friday. If one of the holidays falls on Sunday, it is observed on the following Monday. In general, this aligns the Law Library with the Superior Court’s schedule.

In any year, under the terms of the Law Library Employee Handbook and MOU, the Library may elect to use December 24 or December 31, or both, as designated holidays in lieu of Lincoln’s Birthday or Columbus Day, or both. This has not been done for several years since the Library chose to align its holiday schedule with the courts in order to provide service while the courts were open.

However, in 2018, December 24 and December 31 both fall on Mondays, making it more attractive to “swap” holidays. Accordingly, management is collecting input from Staff and Library partners regarding whether to offer any “in lieu” days in 2018. If the information is available prior to the Board meeting, we will provide an update to the Board. Otherwise, we are requesting that the Board authorize the Executive Director to make the determination of whether to offer “in lieu” days in 2018.

The final holiday schedule will be announced and publicized prior to December 31, 2017.

RECOMMENDATION

Staff recommends the Board:

- 1) approve the attached 2018 holiday schedule; and
- 2) authorize the Executive Director to adjust the holiday schedule to use December 24 or December 31, or both, as designated holidays in lieu of Lincoln’s Birthday or Columbus Day, or both.

INTRODUCTION AND SUMMARY

LA Law Library maintains a Lost and Found repository located at the Library's Circulation Desk. The attached proposed policy documents and clarifies existing practice. Once approved, it will be placed on the website and made available to patrons in print upon request.

Importantly, the policy clarifies, among other things, that:

1. The Library is not responsible for items left at the Law Library, deposited into the Lost and Found or claimed by someone other than the rightful owner;
2. LA Law Library is not responsible for lost or stolen items regardless of their value; and
3. Lost-and-found items not claimed within 30 days will be discarded or donated.

The full policy is attached.

RECOMMENDATION

Staff recommends that the Board approve the attached Lost and Found Policy.

Draft

Lost-and-Found

The LA Law Library's Lost and Found repository is located at the Library's Circulation Desk.

The Library is not responsible for items left at the Law Library, deposited into the Lost and Found or claimed by someone other than the rightful owner. LA Law Library staff will make a reasonable effort to contact the owner of lost items if the item is clearly marked with contact information.

The following guidelines apply to items left or lost at the Law Library:

- LA Law Library is not responsible for lost or stolen items regardless of their value.
- Library Staff will make a reasonable effort to mark left or lost items with a found date.
- Lost-and-found items not claimed within 30 days will be discarded or donated.
- Wallets will be reviewed for a name in order to facilitate contacting the owner.
- A reasonable effort to label loose cash with location, date and time found will be made and a patron must provide this information, at a minimum, in order to claim the cash. Cash will be held for 30 days and will subsequently become property of LA Law Library if unclaimed.
- Anything perishable, including food or drinks, and items emitting odor or deemed unsanitary (at the discretion of Staff) will be discarded immediately along with the containers.
- Flash drives in the lost-and-found may be viewed on public PC by Staff for identification purposes. Patron must provide reasonable identification of the drive (e.g. contents, description and/or location) before a flash drive may be claimed.
- Electronic devices such as cell phones and laptops may be searched for contact information to facilitate notifying the owner. Patron must provide reasonable identification of the item (e.g., background picture, password, description and/or location) before the device will be released.
- Lost LA Law Library cards will be held for 1 year.
- Matching photo identification will be required to claim library cards, bank cards and other cards without a photo already on them.

This policy also applies to merchandise purchased from LA Law Library and left behind after purchase.

Items at LA Law Library Branches and Partnerships will be turned over to that partnership or courthouse location and shall be subject to the lost-and-found rules and procedures at the specific partnership or courthouse location.

Report of Independent Auditors

To the Board of Trustees of Los Angeles County Law Library

Report on the Financial Statements

We have audited the accompanying financial statements of the Los Angeles County Law Library (the Law Library) which comprise the statements of net position as of June 30, 2017 and 2016 and the related statements of revenues, expenses and changes in net position, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

The Law Library's management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Law Library as of June 30, 2017 and 2016, and the changes in its net position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 9 and the required supplementary information on pages 34 through 37 be presented to supplement the basic financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Implementation of New Accounting Standards

As discussed in Note 2, the Law Library has implemented Governmental Accounting Standards Board (GASB) Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions (OPEB)* effective for the fiscal year ended June 30, 2017. As a result of this implementation, the Law Library's financial statements were restated to retroactively report the net OPEB liability of \$2,216,223 as of June 30, 2016. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 25, 2017 on our consideration of the Law Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Law Library's internal control over financial reporting and compliance.

Depreciable capital assets aggregating \$1,869,045 and \$2,119,367 were acquired during the fiscal years 2017 and 2016, respectively.

The Law Library continues to have no long-term debt.

The Law Library early adopted GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*. This resulted in recognition of Net OPEB Liability of \$2,457,252 as of June 30, 2017 and pension expense of \$241,029 for the year then ended.

HIGHLIGHTS OF FISCAL YEAR 2017

Board of Trustees Composition

There were no changes in the composition of LA Law Library's Board of Trustees during the fiscal year. Hon. Ann I. Jones (President), Hon. Mark A. Juhas (Vice President), Susan Steinhauser, Esq., Hon. Dennis Landin, Hon. Michelle W. Court, Hon. Richard Rico and Kenneth Klein, Esq. continued as members.

Award of Contract for Financial Audit

Following a Request for Proposals (RFP) for the Law Library's annual audit services, Vasquez & Company LLP was selected as the Library's auditors for fiscal year 2015 (with an option to renew for two subsequent years). The Law Library renewed and retained Vasquez & Company, LLP for its fiscal year 2016-17 financial audit.

Implementation of Cash Rewards Payment System

Having identified a business card partner, in January 2015, the Law Library's credit card reward program was implemented. In fiscal year 2016-17, the Law Library generated an additional \$48K in rewards, \$120K since inception.

California Employer's Retirement Benefit Trust (CERBT)

At the end of FY 2014, the Board approved entering into an agreement with the California Public Employee's Retirement System Board of Administration (CalPERS Board) to establish a California Employers' Retirement Benefit Trust funded initially with \$2M to fund its Other Post-Employment Benefits (OPEB) liability for its current and future retirees. At the end of fiscal year 2016-17, the fund balance was \$2.1M, after a \$40K distribution request to offset retiree medical costs paid during the year.

Implementation of GASB 75 – Accounting and Financial Reporting for Postemployment Benefits Other than Pensions (OPEB)

Effective for fiscal years beginning after June 15, 2017 GASB 75 will be replacing GASB 45. Following discussions with outside auditors and our actuary, a decision was made to apply the new GASB 75 statement to fiscal year 2016-17 financials. GASB 75 will require us to report an OPEB liability on the face of our financial statements rather than in the footnotes. It may also result in a corresponding OPEB expense (non-cash) depending on factors such as benefits earned each year, interest on the total OPEB liability, changes in benefit terms, and projected earnings on plan investments.

Hill Street Parking Revenue

In addition to the \$525K guarantee the Law Library receives from its parking operator, Parking Concepts, Inc., \$190K was generated as a result of additional demand, including after-hour, weekend, and special event activities.

Investment

Following an analysis of consideration of cash needs and return on investment, staff recommended and the Board approved an additional \$500K investment in less liquid but higher yield Zero-Coupon US Treasury obligations through UBS Financial Services directly funded by funds held with the Local Agency Investment Fund (LAIF). At the end of fiscal year 2016-17, the Library's investments totaled \$4.6M.

Prepayment of the Library's Pension Unfunded Accrued Liability (UAL)

The Library's pension plan is administered by CalPERS. Pension liability for current and future retirees continues to rise. As proactive step and following an analysis of consideration of cash needs and return on investments, staff recommended and the Board approved a \$500K prepayment of its pension UAL. The goal was to maximize its return on investment and at the same time protect pension benefits for future retirees.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of two parts: 1) Management's Discussion and Analysis and 2) the Basic Financial Statements composed of four components: a) statement of net position, b) statement of revenues, expenses and changes in net position, c) statement of cash flows, and d) notes to the financial statements.

Statement of Net Position

The statement of net position presents information on all the Law Library's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Law Library is improving or deteriorating. The statement of net position can be found on page 10.

Statement of Revenues, Expenses and Change in Net Position

This statement presents information on the Law Library's revenues and expenses with the difference being the change in net position during the year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. The statement of revenues, expenses and changes in net position can be found on page 11.

Statement of Cash Flows

This statement presents detailed information on the Law Library's three main sources and uses of funds which are classified as operating, financing and investing activities. The statement of cash flows can be found on page 12.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the statement of net position, statement of revenues, expenses and change in net position and statement of cash flows. The notes to the financial statements can be found on pages 13 through 33 of this report.

FINANCIAL ANALYSIS

The following table presents a condensed statement of net position of the Library:

Unrestricted	4,545,390	5,187,505
Total net position	\$ 23,225,796	\$ 24,835,248

Unrestricted net position can be used to finance daily operations without constraints established by debt covenants, enabling legislation, or other legal requirements.

Unrestricted net position of the Law Library decreased in 2017 from \$5,187,505 to \$4,545,390 because of additional expenses reported as a result of adopting GASB Statement No. 75. Pension expense reported was also higher in 2017 because of lower investment income reported by CalPERS. Even though the Law Library's total net position decreased during the year, the decrease was also attributable to depreciation of capital assets and therefore, affected primarily the balance of net investment in capital assets.

BUDGETARY HIGHLIGHTS

The comparison of the Fiscal Year 2017 actual results of operations against budget and the explanations of significant variances is presented below:

	<u>Actual</u>	<u>Budget</u>	<u>Variance</u>
Operating Revenues:			
Court fees	\$ 6,863,014	\$ 6,545,083	\$ 317,931
Other operating revenues	1,232,247	1,149,352	82,895
Non-operating revenues:			
Investment earnings	(3,562)	58,688	(62,250)
Miscellaneous	110,621	120,999	(10,378)
Total revenues	<u>8,202,320</u>	<u>7,874,122</u>	<u>328,198</u>
Operating Expenses:			
Salaries and benefits	5,165,184	4,038,026	(1,127,158)
Depreciation	2,821,826	2,960,377	138,551
Other operating expenses	1,824,762	1,867,994	43,232
Total expenses	<u>9,811,772</u>	<u>8,866,397</u>	<u>(945,375)</u>
Change in net position	<u>\$ (1,609,452)</u>	<u>\$ (992,275)</u>	<u>\$ (617,177)</u>

The actual change in net position differed from budget by \$617,177.

The favorable variance in court fees was due to the slight increase in court fees revenue. Since its peak in 2009, court fees continuously decreased until FY 2015. In FY 2016 and FY 2017, court fees increased slightly. The favorable variance in other operating revenues was primarily due to a generous contribution from the Friends of the Law Library, increased room rental activity, and increased parking revenue. There was an unfavorable variance in non-operating revenues because of lower investment earnings realized during the year. The unfavorable variance in salaries and benefits was due to an increase in pension expense, a non-cash expense, resulting directly from CalPERS' poor earnings on its plan investments for FY 2016 of 0.6%. Moreover, the early implementation of GASB 75 resulted in additional OPEB expense recognized during the fiscal year ended June 30, 2017. The favorable variance in depreciation expense resulted from less than planned capital purchases.

CAPITAL ASSETS

The Law Library had \$18,680,406 and \$19,647,743 invested in capital assets as of June 30, 2017 and 2016, respectively. The following schedule summarizes capital assets held by the Law Library:

NOTE 1 ORGANIZATION AND PROFILE

The Los Angeles County Law Library (“the Law Library”) was established in 1891 under a California statute of that year. As do other county law libraries in California, it operates under §6300 of the California Business and Professions Code. The Law Library is an independent public agency and is not part of the county government. Its income is derived primarily from a portion of the filing fees paid by parties in civil cases in the Superior Court of California County of Los Angeles. Thus, it is supported by litigants who derive the main benefits from the Law Library, rather than by general tax funds.

The Law Library is governed by the Board of Trustees, which consists of five (5) Superior Court Judges, the Chairman of the Board of Supervisors (or his designee), and one member of the local bar appointed by the Board of Supervisors. The Trustees serve without compensation and meet monthly. The Law Library’s administrative officer is the Library Executive Director and is directly responsible to report to the Law Library’s Board of Trustees. The Library Executive Director also serves as Secretary of the Board.

The Law Library presently operates and maintains a flagship branch in downtown Los Angeles, nine (9) branch and partnership locations in courthouses, public libraries and a bar association office throughout the County of Los Angeles. The Law Library is open to the public and provides classes, workshops, books, online resources, self-help materials and reference assistance for self-represented litigants, judges, attorneys, legal professionals and other members of the public.

The accompanying financial statements reflect the Law Library’s financial activities. The Law Library has no component units.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Law Library’s financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental agencies. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Law Library’s more significant accounting policies are described below.

Basis of Accounting and Measurement Focus

The Law Library is considered an enterprise fund for financial reporting purposes. The accompanying financial statements have been prepared using the total economic measurement focus and the accrual basis of accounting. Under this basis of accounting and measurement focus, revenues are recognized when they are earned and expenses are recognized when they are incurred.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting and Measurement Focus (Continued)

The Law Library's financial statements are presented in accordance with the provisions of Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments*, as amended by Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources and Net Position*. Statement No. 63 requires the classification of net position into three components – net investment in capital assets, restricted, and unrestricted. These classifications are defined as follows:

- *Net investment in capital assets* – This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt also should be included in this component of net assets. If there are significant unspent related debt proceeds or deferred inflows of resources at the end of the reporting period, the portion of the debt or deferred inflows of resources attributable to the unspent amount should not be included in the calculation of invested in capital assets. Instead, that portion of the debt or deferred inflow of resources should be included in the same net position component (restricted or unrestricted) as the unspent amounts.
- *Restricted* – This component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Generally, a liability relates to restricted assets if the asset results from a resource flow that also results in the recognition of a liability or if the liability will be liquidated with the restricted assets reported.
- *Unrestricted* – This component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Implementation of New Accounting Pronouncements

During the fiscal year ended June 30, 2017, the Law Library early adopted the following new Statements of the Governmental Accounting Standards Board (GASB):

- GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. This Statement replaces the requirements of Statements No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, as amended, and No. 57, *OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans*, for OPEB. The scope of this Statement addresses accounting and financial reporting for OPEB that is provided to the employees of state and local governmental employers. This Statement establishes standards for recognizing and measuring liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures. For defined benefit OPEB, this Statement identifies the methods and assumptions that are required to be used to project benefit payments, discount projected benefit payments to their actuarial present value, and attribute that present value to periods of employee service. Note disclosure and required supplementary information requirements about defined benefit OPEB also are addressed in this Statement.

Pensions

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Law Library's California Public Employees' Retirement System (CalPERS) plans (Plans) and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Postemployment Benefits Other Than Pensions (OPEB)

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense information about the fiduciary net position of the Law Library's OPEB Plan and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by the Plan. For this purpose, the Plan recognizes benefit payments when due and payable in accordance with the benefit terms. Investments are reported at fair value, except for money market investments and participating interest-earning investment contracts that have a maturity at the time of purchase of one year or less, which are reported at cost.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents have been defined as deposits and highly liquid investments with maturity of 90 days or less at the date of purchase. As of June 30, 2017 and 2016, cash and cash equivalents consist of:

	2017	2016
Cash and cash equivalents	\$ 3,309,692	\$ 3,551,273
Restricted cash and cash equivalents	318,470	318,470
	\$ 3,628,162	\$ 3,869,743

Restricted cash and cash equivalents represent deposits received from members for their library privileges.

Capital Assets and Depreciation

Capital assets are recorded at cost. Assets, other than books and reference materials, with acquisition costs of \$3,000 or more are capitalized. Books and reference materials are capitalized regardless of the amount.

The provision for depreciation is computed using the straight-line method over the estimated service lives of the capital assets. Estimated service lives for the Law Library's capital assets are as follows:

Books and reference materials	10 years
Computer equipment and software	4 years
Furniture, fixtures and other equipment	4-7 years
Interior building improvements	15 years
Buidings and exterior building improvements	15 – 50 years

Revenue Recognition

The Law Library's revenues are recognized on an accrual basis. However, amounts collected from borrowers representing security deposits for their library privileges are reported in the accompanying financial statements as Borrower Deposits.

The Law Library derives its income primarily from a portion of the filing fee charged to parties engaged in civil litigation in the Superior Court of California County of Los Angeles.

Operating Revenues and Non-Operating Revenues

Operating revenues are those revenues that are generated directly from activities of the Law Library. Non-operating revenues are revenues related to investment earnings.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

NOTE 3 CASH AND CASH EQUIVALENTS AND INVESTMENTS

As of June 30, 2017 and 2016, cash and cash equivalents and investments are composed of:

	2017	2016
<u>Cash and cash equivalents:</u>		
Local Agency Investment Fund	\$ 353,722	\$ 847,549
Cash deposited with the Los Angeles County Treasurer	3,040,285	2,396,288
Cash on hand and in bank	(84,315)	307,436

	4,577,287	4,115,956
Total	\$ 8,205,449	\$ 7,985,699

The Law Library is a voluntary participant in the Local Agency Investment Fund (LAIF), a special fund regulated by the California State Treasury through which each city, district or agency may invest up to \$40 million. As of June 30, 2017 and 2016, the total market value of LAIF, including accrued interest was approximately \$77.6 billion and \$75.4 billion, respectively. The Law Library's proportionate share of that value as of June 30, 2017 and 2016 is \$0.3 million and \$0.8 million, respectively. Investments in LAIF are highly liquid, as deposits can be converted to cash within twenty four (24) hours without loss of interest.

In accordance with the Government Code, cash balances of the Law Library are deposited with the County's investment pool and invested by the Los Angeles County Treasurer for the purpose of increasing interest earnings through investments activities. Interest earned on pooled investments is deposited in participating funds based upon each fund's average daily balance during the allocation period.

Statutes authorize the County of Los Angeles to invest pooled investments in obligations of the United States Treasury, federal agencies, municipalities, commercial papers rated A-1 by Standard and Poor's Corporation and P-1 by Moody's Commercial Paper Record, bankers' acceptances, negotiable certificates of deposit, floating rate notes, repurchase agreements, and reverse repurchase agreements.

NOTE 3 CASH AND CASH EQUIVALENTS AND INVESTMENTS (CONTINUED)

Funds deposited in the Los Angeles County Treasury Pool amounted to \$3,358,755 and \$2,714,758 as of June 30, 2017 and 2016, respectively. Of this amount, \$318,470 represents restricted cash and cash equivalents relating to deposits received from members for their library privileges as of June 30, 2017 and 2016.

All investments are stated at fair value. Net changes in the fair value of investments are reflected as non-operating revenue in the Statement of Revenues, Expenses and Changes in Net Position.

Risk

In accordance with GASB Statement No. 40, *Deposit and Risk Disclosure – an Amendment of GASB Statement No.3*, certain required disclosures regarding investment policies and practices with respect to the risk associated with their credit risk, concentration of credit risk, custodial credit risk and interest rate risk are discussed in the following paragraphs:

Interest Rate Risk

Interest rate risk, as defined under GASB Statement No. 40, is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The following table shows the distribution of the Law Library’s investments by maturity:

Credit Risk

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating by Standard & Poor's required by (where applicable) the California Government Code or the Law Library's investment policy and the actual rating as of year-end for each investment type:

June 30, 2017

Government securities	<u>3,658,029</u>	A	<u>3,658,029</u>
	<u>\$ 4,577,287</u>		<u>\$ 4,577,287</u>

<u>Investment Type</u>	<u>Total</u>	<u>Minimum Legal Rating</u>	<u>AA+/AA</u>

Government securities	<u>3,162,711</u>	A	<u>3,162,711</u>
	<u>\$ 4,115,956</u>		<u>\$ 4,115,956</u>

Concentration of Credit Risk

Under GASB Statement No. 40, concentration of credit risk is the risk of loss attributable to the magnitude of the Law Library's investment in a single issuer. As of June 30, 2017 and 2016, the Law Library was not exposed to concentration of credit risk.

Custodial Credit Risk

GASB Statement No. 40 defines custodial credit risk as the risk that the Law Library will not be able to (a) recover deposits if the depository financial institution fails, or (b) recover the value of investments or collateral securities that are in the possession of an outside party.

The California Government Code requires California banks and savings and loan associations to secure a local government agency's (agency) deposit by pledging government securities as collateral. The market value of pledged securities must equal at least 110% of an agency's deposits. California law also allows financial institutions to secure an agency's deposit by pledging first trust deed mortgage notes having a value of 150% of an agency's total deposits.

NOTE 3 CASH AND CASH EQUIVALENTS AND INVESTMENTS (CONTINUED)

The agency may waive collateral requirements for deposits, which are fully insured up to \$250,000 by the Federal Deposit Insurance Corporation.

Deposits are exposed to custodial credit risk if they are uninsured and are either:

- a. Uncollateralized.
- b. Collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the depositor-government's name.

As of June 30, 2017 and 2016, the Law Library was not exposed to custodial credit risk.

NOTE 4 FAIR VALUE MEASUREMENTS

During the fiscal year ended June 30 2016, the Library implemented GASB Statement No. 72, *Fair Value Measurement and Application*. GASB 72 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Library categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; while Level 3 inputs are significant unobservable inputs.

- Level 1 inputs are quoted prices for identical assets or liabilities in active markets that government can access at the measurement date.
- Level 2 inputs are other than quoted prices included in Level 1 that are observable for an asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for an asset or liability.

The following tables represent the Library's fair value hierarchy for its financial assets measured at fair value on a recurring basis:

The Library's investments in LAIF and LA County Pool as of June 30, 2017 and 2016 is reported at the Library's pro-rata share of the amortized cost provided by LAIF and LA County Treasurer for the entire portfolio. This amount approximates fair value.

NOTE 6 RETIREMENT PLAN

A. General Information about the Pension Plans

Plan Description

All qualified permanent and probationary employees are eligible to participate in the Law Library’s Miscellaneous Employee Pension Plan, cost-sharing multiple employer defined benefit pension plan administered by the California Public Employees’ Retirement System (CalPERS). Benefit provisions under the Plan are established by State statute and the Law Library’s resolution. CalPERS issues publicly available reports that include a full description of the pension plan regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Classic participants (defined as eligible participants prior to January 1, 2013) are required to contribute 8% of their annual covered salary. New or Public Employees’ Pension Reform Act of 2013 (PEPRA) participants (defined as eligible employees brought into CalPERS membership for the first time on or after January 1, 2013) contribute at least half the normal cost rate as determined by CalPERS. The Law Library contributes the remaining amounts necessary to fund the benefits for its employees, using the actuarial basis adopted by the CalPERS Board of Administration.

Benefits Provided

CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to Plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the California Public Employees’ Retirement Law.

The Plans’ provisions and benefits in effect at June 30, 2017 and 2016 are summarized as follows:

	Miscellaneous Plan	
	Classic	PEPRA
Hire date	Prior to January 1, 2013	On or after January 1, 2013

Required employer contribution rates	11.68%	6.90%

NOTE 6 RETIREMENT PLAN (CONTINUED)

Contributions

Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

The Law Library is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

For the year ended June 30, 2017 and 2016, the contributions recognized as part of pension expense for each Plan were as follows:

	2017		2016	
	Classic	PEPRA	Classic	PEPRA
Contributions - employer	\$ 292,226	-	\$ 258,449	\$ 19,727
Contributions - employee	168,651	-	163,226	19,820

B. Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions

As of June 30, 2017 and 2016, the Law Library reported net pension liabilities for its proportionate share of the net pension liability of each Plan as follows:

	Proportionate Share of Net Pension Liability (Asset)	
	2017	2016
Miscellaneous (Classic)	\$ 2,683,917	\$ 1,236,782

NOTE 6 RETIREMENT PLAN (CONTINUED)

Effective for measurement period 2015, CalPERS provides GASB 68 Accounting Valuation Report for the Miscellaneous risk pool and allocation methodology to be used by participants in the risk pool. The schedules of employer allocation include three ratios. It includes allocation for the Total Pension Liability, Plan Fiduciary Net Position and all others pension amounts (e.g. deferred outflows/inflows of resources and pension expense). The Total Pension Liability is allocated based on the Actuarial Accrued Liability from the most recent Actuarial Valuation Report as of June 30, 2015 used for funding purposes. The Plan Fiduciary Net Position is allocated based on the sum of the Market Value of Assets from the most recent Actuarial Valuation as of June 30, 2015 used for funding purposes plus supplemental payments made by employers during the current measurement period to reduce their unfunded actuarial accrued liabilities. All other pension amounts (deferred outflows/inflows of resources and pension expense) are allocated based on the legally or statutorily required employer contributions for the fiscal year ended June 30, 2016, including reported contribution adjustments and suspended payroll information.

The Law Library's allocation bases for pension items for 2017 reporting period are as follows:

	2017
Total pension liability	0.00158450
Plan fiduciary net position	0.00184270
All other pension amounts (deferred outflows/inflows of resources and pension expense)	0.00082020

For the year ended June 30, 2017, the Law Library recognized pension expense of \$1,660,663. At June 30, 2017 and 2016, the Law Library reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	2017		2016	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources

NOTE 6 RETIREMENT PLAN (CONTINUED)

\$792,226 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2018.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year ended June 30	Amount
2018	\$ (273,190)

2020	194,808
2021	126,781

Actuarial Assumptions

The total pension liabilities in the June 30, 2015 actuarial valuations were determined using the following actuarial assumptions:

Valuation Date	30-Jun-15
Measurement Date	30-Jun-16
Actuarial Cost Method	Entry-Age Normal Cost Method
Actuarial Assumptions:	
Discount Rate	7.65%
Inflation	2.75%
Payroll Growth	3.00%
Projected Salary Increase	(1)
Mortality	(2)
Post-Retirement Benefit Increase	(3)

- (1) Varies by entry age and service
- (2) Derived using CalPERS' Membership Data for all funds
- (3) Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.75% thereafter.

The underlying mortality assumptions and all other actuarial assumptions used in the June 30, 2015 valuation were based on the results of a January 2015 actuarial experience study for the period 1997 to 2011. Further details of the Experience Study can be found on the CalPERS website.

NOTE 6 RETIREMENT PLAN (CONTINUED)

Discount Rate

The discount rate used to measure the total pension liability was 7.65 percent, gross of administrative expense. CalPERS pension discount rate is set equal to the long-term expected rate of return calculated using the capital market assumptions.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical returns of all the funds' asset classes, expected compound returns were calculated over the short-term (first 10 years) and the long-term (11-60 years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equivalent to the single equivalent rate calculated above and rounded down to the nearest one quarter of one percent.

Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Law Library's proportionate share of the net pension liability for each Plan, calculated using the discount rate for each Plan, as well as what the Law Library's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

		<u>Miscellaneous Plan</u>
1% Decrease		6.65%
Net Pension Liability	\$	5,755,204
Current Discount Rate		7.65%
Net Pension Liability (Asset)	\$	2,683,917

Plan Description

The Law Library offers medical and dental insurance to eligible retirees and their spouses. CalPERS and Guardian, single-employer defined benefit plans, administer the Library's medical and dental plans, respectively. The Law Library's Board of Trustees has the authority to establish and amend benefit provisions for its employees. CalPERS and Guardian issue publicly available annual financial reports that include financial statements and required supplementary information for their benefit plans. Those reports may be obtained through their websites at www.calpers.ca.gov and www.guardianlife.com.

Contributions and Funding Policy

The contribution requirements of plan members and the Law Library are established and may be amended by the Board of Trustees. During the fiscal year 2014, the Law Library joined the California Employers' Retiree Benefit Trust (CERBT) program and contributed \$2,000,000 to the Plan. At June 30, 2017, the Trust account balance was \$2,135,363.

NOTE 7 OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

Net OPEB Liability

The Library's net OPEB liability was measured as of June 30, 2017, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of June 30, 2017.

Actuarial Assumptions

This valuation assumes that the Library will fund the Plan on an ad hoc basis, in an amount sufficient to fully fund the obligation over a period not to exceed 30 years. The Normal Cost is the portion of the Actuarial Present Value of benefits allocated to a valuation year. The UAAL is the excess of the Entry Age Normal Actuarial Accrued Liability over the Market Value of Assets.

The total OPEB liability for the June 30, 2017 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Actuarial cost method	Entry age actuarial cost method
Inflation	2.75%
Salary increases	2.75% per year
Investment rate of return	6.5%; based on assumed long-term return on plan assets assuming 100% funding through CERBT using the Building Block Method
Healthcare cost trend rates	4% per year
Mortality rates	Based on 2014 CalPERS active mortality for Miscellaneous employees

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB plan investment expense and inflation) was used and developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage using geometric means and by adding expected inflation. The target allocation and best estimates of the arithmetic real rates of return for each major asset class are summarized in the following table:

NOTE 7 OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

Asset Class	Percentage of Portfolio	Assumed Growth Return
US Large Cap	40%	7.7950%
US Small Cap	10%	7.7950%

Treasury Inflation Protected Securities (TIPS)	15%	7.7950%
US Real Estate	8%	7.7950%
All Commodities	3%	7.7950%
Total	100%	

Discount rate

The discount rate used to measure the total OPEB liability was 6.5%. The projection of cash flows used to determine the discount rate assumed that the Library contribution will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the OPEB plan's fiduciary net position was projected to cover all future OPEB payments. Therefore, the discount rate was determined to be the long-term expected rate of return on OPEB plan investments.

The net OPEB liability of the Library, as well as what the Library's net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (5.5%) or one percentage point higher (7.5%) follows:

	<u>Discount Rate 1% Lower (5.5%)</u>	<u>Valuation Discount Rate (6.5%)</u>	<u>Discount Rate 1% Higher (7.5%)</u>
Net OPEB liability	\$ 3,046,819	\$ 2,457,252	\$ 1,970,737

Sensitivity of the net OPEB liability to changes in the healthcare cost trend rates

The net OPEB liability of the Library, as well as what the Library's net OPEB liability would be if it were calculated using healthcare cost trend rates that are one percentage point lower (3%) or one percentage point higher (5%) than current healthcare cost trend rates follows:

	<u>Trend 1% lower</u>	<u>Valuation Trend</u>	<u>Trend 1% higher</u>
Net OPEB liability	\$ 1,723,055	\$ 2,457,252	\$ 3,381,678

OPEB Expense and Deferred Inflows and Outflows of Resources Related to OPEB

For the year ended June 30, 2017, the Library recognized OPEB expense of \$241,029 with details as follows:

	<u>Total</u>
Service Cost	\$ 108,640
Interest on Total OPEB Liability	278,115
Actual Investment Income	(147,500)
Administrative Expense	1,774
Total OPEB Expense	<u>\$ 241,029</u>

At June 30, 2017, the Library reported no deferred outflows of resources and deferred inflows of resources related to OPEB. Since the Library's prior valuation was performed in accordance with GASB 45, it is not possible to calculate compliance gains and losses. Therefore, valuation-based deferred items will not be reported until the next valuation of the Plan.

NOTE 8 CONTINGENT LIABILITIES

The Law Library is aware of potential claims that may be filed against them. The outcome of these matters is not presently determinable, but the resolution of these matters is not expected to have a significant impact on the financial condition of the Law Library.

NOTE 9 PRIOR PERIOD ADJUSTMENT

The financial statements as of and for the year ended June 30, 2016 were restated to retroactively report the net OPEB liability as of the beginning of the fiscal year as a result of implementing GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*. The Law Library made adjustments for these items as a cumulative effect of change in accounting principle. This resulted in a decrease in the net position by \$2,134,270 and reporting net OPEB liability of \$2,216,224 in the June 30, 2016 financial statements.

	Net Position	Net OPEB Liability
Balance as previously reported	\$ 26,969,518	\$ 81,954
Adjustment to reflect the retroactive effect of GASB 75 implementation	(2,134,270)	2,134,270
Balance as restated	\$ 24,835,248	\$ 2,216,224

NOTE 10 SUBSEQUENT EVENTS

In preparing these financial statements, the Law Library has evaluated events or transactions that occurred subsequent to the balance sheet date through October 25, 2017, the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements. The Law Library determined that no subsequent events required disclosure or adjustment to the accompanying financial statements.

**Report of Independent Auditors on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards**

**To the Board of Trustees of
Los Angeles County Law Library**

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Los Angeles County Law Library (the Law Library) which comprise the statement of net position as of June 30, 2017 and 2016 and the related statements of revenues, expenses and changes in net position, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated, October 25, 2017.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Law Library's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Law Library's internal control. Accordingly, we do not express an opinion on the effectiveness of the Law Library's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Law Library's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Law Library's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Law Library's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

RE: Approval of Offering Platinum Level of Member Program

INTRODUCTION

The Law Library currently offers Bronze, Silver and Gold levels of Membership. (See attached summary of existing levels.) At the June 2017 meeting, the Board of Trustees approved a staff recommendation to begin a pilot program for a “Platinum Level” of Membership. The pilot program has been successful; our law firm partner is very happy with the services we have been able to offer, and the Law Library has been able to generate revenue for these services without any adverse impact on other services.

Although the Law Library has not been promoting or marketing the Platinum Level membership, two other firms have apparently heard by ‘word of mouth’ and expressed interest. Staff recommends offering the Platinum Level of service on an ongoing basis on the terms described below.

ANALYSIS & BACKGROUND

In 2010, LA Law Library created our Members Program, providing higher levels of service for a fee. The program has helped foster closer relationships between the legal community in Los Angeles and LA Law Library. Through the Members Program, we have been able to more closely address the legal resource needs of small firms and solo practitioners, while also generating revenue for the Library. In addition, as the program has grown, Members have become engaged supporters of the library, including participating as volunteers in the hugely popular Lawyers in the Library program, have presented MCLE and public classes for library patrons, and have joined our Friend’s Board.

Since the Members Program was created, we have been approached periodically by mid and large sized firms interested in a higher level of service. However, as the Members Program was designed, priced and marketed toward smaller organizations, mid and larger firms have not enrolled in our traditional Members Program.

Earlier this year, we were approached by a large, multinational law firm who was interested in exploring new and more robust options we might be able to offer, for a larger annual Members fee. At the June meeting of the Board of Trustees, staff presented a proposal that would allow us to offer this type of service. The Board of Trustees approved the staff proposal to begin a pilot program of an elevated level called "Platinum". As a result of the Board's approval, we were able to explore this partnership through a three month pilot program, which the Board then extended for an additional month in October.

The trial program was a success. Over the course of the four month pilot, we responded to over 60 requests from this firm, at times addressing up to five requests per day, and provided more than 400 separate documents as a result of those 60+ requests, with an average response time of well under an hour. The Platinum Member law firm was happy with the level of service, including turnaround time, breadth of available resources and accuracy. We believe the pilot program has provided a proof-of-concept that this model of service could be successful if offered to law firms and are optimistic that the firm would renew for an annual contract if the Platinum Level is approved by the Board of Trustees.

If approved by the Board of Trustees, a permanent Platinum Members program would have the following benefits:

- Allow the Law Library to engage in long term partnerships with multiple firms that would result in a stable revenue stream;
- Allow the Law Library to add a staff position to handle both Platinum Level requests, as well as other patron services when not fully occupied with requests from Platinum Members;
- Establish a new level to the Members Program that might attract other large firms and expand the use and awareness of the resources available at the Law Library;
- Expand attorney volunteer participation at the Law Library and in our public events and programs.

In our initial request to the Board, we expressed the need for a pilot project to collect data and experience regarding potential costs and impacts. After four months of testing this model, we believe we have identified the material costs associated with this program, including salary, benefits, computer hardware and software, and other equipment requirements.

Moreover, we have found that the additional staffing has provided a significant benefit to the Law Library and its non-Member patrons. For the pilot project, the Law Library retained contract employees using the revenue from this program. When those individuals were not at capacity responding to Platinum Member requests, they were able to assist with other tasks for various departments throughout the library, helping with Pro Bono Week preparations, for example. With a more permanent (annual) Platinum Level program, the Law Library would be able to hire a professional law librarian, who would require less supervision and could undertake a broader range of

projects and support in their 'extra' time. As a result, the additional staff capacity that this program would generate would benefit the public as a whole.

The proposed terms of the Platinum Level Membership (similar to the terms of the pilot project, but for an annual term) are provided in the attached term sheet.

OPTIONS

After discussing and posing any questions the Board might have, the following options are available:

1. Approve the Platinum Member program per the attached term sheet as an annual service offered by LA Law Library, and authorize the Executive Director to execute the necessary documents and hire an additional reference librarian once the membership documents have been executed;
2. Modify the Platinum level members program to address any Board concerns and authorize the Executive Director to execute the necessary documents reflecting the amended terms;
3. Extend the Platinum Members pilot program through the end of December to allow for continued discussion of a Platinum Level Members program at the December Board of Trustees meeting; or
4. Direct Staff not to establish a Platinum Level membership.

RECOMMENDATION

Staff recommends that the Board of Trustees approve Option 1.

The Members Program gives you the flexibility to choose the membership benefits that best suit your needs. Members may choose to join or renew as a Gold, Silver, or Bronze Member.

Every membership level enjoys the core membership benefits that have made the program so successful in its goal of serving the legal community. By selecting among Gold, Silver, and Bronze memberships, you have the freedom to choose the benefits that are right for you.

RE: After-Report Regarding Pro Bono Week Events and Activities

INTRODUCTION AND SUMMARY

This is an informational item only and no action by the Board is required.

As you are aware, during the National Pro Bono Celebration, LA Law Library hosted its sixth annual Pro Bono Week (PBW) Celebration from October 14 through October 20, 2017, with a pre-week kick-off reception on October 10. The Public Legal Services Fair was held on Saturday, October 14, after which the Law Library offered daily events throughout the rest of the week. The week was an enormous success.

This report summarizes the activities and provides some perspective on the week-long effort. Questions and comments from the Board are welcome.

VISION AND MISSION

The Law Library's vision and mission statements call for the Library to be a "vibrant community education center in Los Angeles County," "a leader in providing public access to legal knowledge" and "a navigator facilitating access to the legal system." Once again, Pro Bono Week publicly and effectively implemented those goals across a broad segment of the legal community and the general public.

GENERAL STATISTICS

Although we do not have the ability to track service statistics in detail because of the large number of events and providers participating, some very basic statistics about the week are:

- More than 25 booths at the Public Legal Services Fair
- More than 50 different events, classes and programs throughout the week;
- More than 50 different subject areas covered;
- More than 50 legal aid and social service providers participating;
- More than 50 different blogs posting about the events;
- More than 100 print and electronic news articles;
- More than 500 online calendars;
- More than 1,000 attended;
- More than 1,200 pre-registrations for events;
- More than 2,000 registrations plus walk-in attendants at events; and
- More than 10,000 flyers distributed throughout the community

In addition, the Pro Bono Week website was visited more than 3,000 times by 268 different cities across the world. Los Angeles had the most hits with 61.51%. Sacramento, San Diego, Glendale, Santa Monica and Pasadena were the next highest audiences.

Finally, the programming related to immigration issues created tremendous interest in our social media, registrations, visitors and requests for more information. A Google search for "immigration + LA Law Library" resulted in about 4,630,000 results!

SPONSORS AND FINANCES

The vision we had of promoting Pro Bono efforts and assisting those in need was shared by our many sponsors: The Friends of the Los Angeles County Law Library, Thomson Reuters West, Lexis, CEB, Wolters Kluwer and local restaurant Cherry Pick who set up shop to serve the participants as well as the vendors. We are grateful for their generosity which made these events possible and look forward to their continued support of PBW in the future.

Nearly all have stated that they would like to sponsor again next year. Through the generosity of these sponsors, the Law Library was able to cover all of its out-of-pocket costs, including overtime and security (see attached Financial Report) and recoup some of the lost revenue from waiving certain fees and charges. Of course, tens of thousands of dollars of additional staff time went into the Pro Bono Week effort without reimbursement, but that is consistent with our Mission and Vision.

PUBLIC LEGAL SERVICES FAIR

The Public Legal Services Fair was organized to provide people of all ages the ability to receive service and to learn what no-cost and low-cost services are available to them.

Workshops: The classes and workshops during the fair covered an even wider scope of topics than last year's fair. See attached list of partnering organizations and map handed out on the day of the event. Once again, Beverly Hills Bar Association Barristers hosted Lawyers in the Library. It was busy all morning long and more than 70 people were served. Among the other workshops and clinics offered were the citizenship assistance workshop presented by four legal aid providers in collaboration and the first-ever Esperanza Immigrant Rights Project's U-Visa workshop at the Law Library. We hope to see all of these programs repeated at the Law Library in the future.

Classes: Classes on fair housing, child custody and support, how to talk to a lawyer, unbundled legal services, writs, the Brown Act and brief writing were once again popular. New offerings included classes on how to talk to a lawyer, how to find the right lawyer or legal service, tools for assisting victims of elder abuse, filing a civil rights lawsuit and how to prepare for an immigration raid or encounter with ICE.

Booths: Booth participants included legal aid organizations and lawyer referral services, disability rights and fair housing advocates, mental health providers, community development organizations, consumer protection agencies, grassroots community action organizations and city and county public library systems. Booths provided information and services to:

- Self-represented family law litigants
- Consumers resolving health access and service problems

Disabled people seeking information about their individual rights
Moderate income people seeking legal services
Immigrant and low-income communities needing assistance
Low-income and special needs children accessing the public education system
Tenants facing eviction and other emergency housing problems

WEEKDAY CLASSES AND PROGRAMS

After the Fair, programming continued throughout the week, with an overall increase in the number and scope of classes for both the public and legal community. Programs conducted by existing partners included the ever popular landlord-tenant series and classes from the internally taught Civil Lawsuit Basics and Business Series.

Based on popular demand, the Library repeated the two classes focused on criminal law – *Ripped from the Headlines: Public Corruption Cases*, taught by L.A. County Inspector General Max Huntsman and *Know Your Rights When Interacting with the Police*, taught by three civil rights attorneys and two officers from the Los Angeles Police Department.

The week also featured Bet Tzedek’s clinic providing assistance with conservatorship petition preparation and Public Counsel’s clinic assisting with guardianship petition preparation (regularly held in the courthouse). The week also marked the introduction of a possible new clinic providing one-on-one assistance with writing an appellate brief – a new collaboration with Public Counsel’s appellate self-help clinic located at the California Court of Appeal.

For attorneys, Pro Bono Week featured 7 hours of free MCLE classes, all of which provided practical training in how to represent pro bono clients. Subjects covered included housing and preventing homelessness, assisting with criminal record expungements to help clients gain employment, setting up conservatorships for adults with disabilities, seeking medical assistance for clients through medical-legal partnerships, and counseling on debt and bankruptcy. Many non-lawyers attended these classes as well.

The week also marked the sixth year in a row for three key collaborations:

- Public Counsel provided free one-on-one counseling by pro bono attorneys regarding debt and bankruptcy.
- Southern California Medical Legal Partnerships Collaborative once again presented a discussion led by a panel of Medical/Legal Partnership attorneys on ethical issues and best practices in forming medical legal partnerships with different types of providers
- The annual mediation roundtable hosted by the County of Los Angeles Department of Consumer and Business Affairs, this year focusing on services mediators can provide to combat homelessness through mediation. This topic was selected in response to the 23% increase in the homeless population in Los Angeles County in 2016.

The week ended with two additional Lawyers in the Library programs – one featuring the Library’s regular roster of volunteers and the other at Van Nuys Public Library

featuring volunteer attorneys from the San Fernando Valley Bar Association. Between the two, 160 people were provided free consultations. This was also the first time a Lawyers in the Library program has been held at a public library partnership location during Pro Bono Week. Discussions are already underway to hold more Lawyers in the Library programs at Van Nuys Public Library, given the good turnout and successful coordination of planning and day-of logistics

PRO BONO WEEK DISPLAY

The main lobby display tells the history of pro bono services in the United States and references the ABA Model Rules re: Voluntary Pro Bono Publico service, as well as the California Business & Professions Code governing pro bono service and pro bono policies of the California Bar Association and Los Angeles County Bar Association. A highlight of the display is the Commendation of LA Law Library from the County of Los Angeles acknowledging Pro Bono Week and the Library's dedicated service to the community and its citizens, signed by all five County Supervisors.

The display on the glass shelves in the lobby explores DACA – what it is, who was eligible, and its current status. The display includes *Know Your Rights* handouts from the ACLU in both English and Spanish advising what to do if the police, an immigration agent or the FBI stop you. Also featured are a Certificate of Recognition from the State of California Senate acknowledging the Law Library's service to the immigrant community and a Certificate of Congressional Recognition presented to the Law Library by U.S. Congresswoman Grace F. Napolitano thanking the Library for its active participation in the Annual Immigration Clinic.

VOLUNTEER PARTICIPATION

The week of events took a veritable army of volunteers to implement. For the Public Legal Services Fair alone, 44 individuals helped with registration, child care, information booths, directional guidance and many other tasks. The volunteer pool drew from staff, family of staff, friends, interns, sponsors, high school students, attorneys and others seeking opportunities to volunteer. In addition, all of the class presenters and attorneys providing patron consultations were unpaid and add at least another 30 names to the list of dedicated volunteers needed to make PBW a success!

During the rest of Pro Bono Week, we had several staff members help with registration tables and guiding patrons to their correct location. We received positive and constructive feedback from all volunteers regarding duties, procedures, expectations and enjoyment.

We also launched the use of SignUpGenius.com to assist with scheduling all volunteer positions, posts and parking needs. With a total number of over 60 volunteers for the entire Pro Bono Week event, using SignUpGenius.com made the overall organization of volunteers and staff much easier to track.

PRO BONO PALOOZA, NETWORKING AND NEW CONNECTIONS

On Tuesday evening, October 10, in advance of Pro Bono Week, the Law Library hosted "Pro Bono Palooza," featuring: an MCLE panel discussion; a logistics meeting with our providers to convey information about logistics and expectations for the upcoming events; and a reception featuring music, food, networking & information tables about pro bono volunteer opportunities.

The MCLE panel discussion on “Bridging Cultural Gaps with Pro Bono Clients,” featuring a distinguished panel of academics and leading attorneys from major legal aid organizations, served as the headliner for the week’s MCLE programming. Prof. Joseph Berra of UCLA School of Law discussed the dangers of implicit bias for attorneys representing clients of different backgrounds; Tai Glenn of Inner City Law Center addressed the challenges of representing clients living in poverty; Christina Yang of Advancing Justice shared tips on representing clients of limited English proficiency; and, Diego Cartagena of Bet Tzedek gave numerous practical tips on how to eliminate bias in the representation of legal aid clients. Over 40 attended the panel discussion, and attorneys gave strong reviews, noting the practical tools they gained to help fight bias and more effectively represent the clients they were devoted to helping access justice.

This year, more than 30 organizations were represented at the logistics meeting and Pro Bono Palooza. The Library prepared the participants with information about security, parking, signage, food and a variety of other practicalities. The Library also provided tips on how to use the opportunities and connections available during Pro Bono Week to develop new sources of referrals and expand our collective ability to match patrons/clients with available service providers. One of the significant contributions of PBW to overall service levels in Los Angeles County is to improve the ability of 50+ participating organizations to make effective referrals to one another throughout the rest of the year.

Nearly all of the providers then used the reception that followed to network and create connections. Not only did the Pro Bono Palooza reception give the many providers an opportunity to meet and establish referral connections with one another, but 17 organizations also hosted tables about pro bono volunteer opportunities.

Gary Greene, Esq. and his Big Band of Barristers once again entertained with a fabulous performance of swing music and vocal performances, featuring attorneys, judges and justices from our own LA legal community. Piece by Piece displayed and sold their impressive mosaic artwork, providing not only an elegant artistic experience for those in attendance, but also support for the critically important work Piece by Piece does training those vulnerable to homelessness in mosaic art to build marketable skills and a path to earned income.

Throughout the course of the week, the Library also established and reinforced many new connections of its own. Once again, schools with paralegal programs offered extra credit to students who attended our pro bono week classes, introducing many new prospective attendees to the resources offered at the Library. Attorneys who were exposed to our programs for the first time signed up to support future Lawyers in the Library programs, expanding our volunteer base.

To reinforce the connections made throughout the year, the Library also provided an online resource directory where participant organizations could find the main contact information, website and description for each organization, as well as handouts, forms and other useful information for provider participants in the week’s events.

MEDIA AND OUTREACH

Over 50 articles appeared in local, city, state and national print and electronic media and nearly 200 announcements appeared on-line or in E-News. Over 500 on-line calendars across Southern California, statewide and nationally announced the events.

10,000 flyers were posted in courthouses, elected official offices or distributed to the public via Neighborhood Councils, public libraries, police departments, churches, senior centers and our partner organizations. (Los Angeles Public Library delivered packets to 73 different libraries for us!) Flyers made their way into neighborhood coffee shops, schools and other community buildings never directly contacted by LA Law Library. Staff distributed flyers at conferences as well, which boosted CLE attendance throughout the week.

A new 'Save the Date' postcard (pdf attached) was created this year to publicize Pro Bono Week at Grand Park's July 4th Celebration. The front of the colorful piece highlighted the "Free Legal Info & Services" that would be provided during Pro Bono Week with a short description of some of our more popular events including Lawyers in the Library, Civil Lawsuit Basics, Adult Name Change Workshop, the Business Series and Orientación General y Taller de Asilo para los Inmigrantes que Enfrentan la Deportación (Asylum Petition Workshop).

We were honored to receive a proclamation from the Los Angeles County Board of Supervisors proclaiming October 14-22, 2017 as Pro Bono Week throughout the County and recognizing the services provided by LA Law Library to the community. Supervisor Solis lauded the Law Library for its efforts, encouraged the public to participate and spoke of her intention to partner with us on several new and existing programs.

This year we saw a new awareness within the Congressional, State and local elected officials' offices of PBW programming and events. Several elected officials offices requested information for their local outreach efforts, to bring awareness about our Pro Bono Week activities and ongoing services or to help specific constituents who had identified needs.

The Law Library would like to acknowledge the generous support of the following elected officials who promoted or otherwise gave of their time and resources in support of PBW:

- Hon. Grace Napolitano
- Hon. Hilda Solis
- Hon. Sheila Kuehl
- Hon. Herb Wesson
- Hon. Jose Huizar
- Hon Paul Krekorian
- Hon. Nury Martinez
- Hon. Ben Allen
- Hon. Autumn Burke
- Hon. Cristina Garcia
- Hon. Adrin Nazarian
- Hon. Blanca Rubio
- Hon. Marqueece Harris-Dawson
- Hon. Ed Hernandez
- Hon. Patti Lopez
- Hon. Sebastian Ridley-Thomas

The reach of these organizations and offices exceeds five million people locally.

LOGISTICS AND SIGNAGE

Although it never ceases to amaze us how much time and effort it takes to plan a large event and account for all the contingencies – parking, signage, security, room set ups, AV equipment, catering, directions and clean up -- the results were incredible. Patrons found their classes and events without difficulty and the providers were well taken care of. The Facilities Department took care of all the set ups for PBW. This included moving tables and chairs around the library for various class room set-ups in advance. Having learned from previous Pro Bono Week events, we minimized the number of set-up changes, adjusted the schedule to allow for greater participation and streamlined the process.

This year, Fair set up began Friday night at 5:00 p.m. and included setting all the tents. This helped tremendously with the morning rush! Facilities also set up the stage and taped signage to every room and location for easy visibility by patrons.

The signage worked beautifully and allowed us to use every square inch of available space. In fact, all available space both inside and outside was fully booked all day the day of the Fair (including the Training Center, Reading Room stage and classroom, Members Study, Annex, open classroom space in the 70's section, and a new "makeshift" clinic configuration in the 50's bowling alley section).

A 20-foot banner that hung from the booths on the corner of 1st and Broadway stating, "Today Only! Special Program; Free Legal Resources for the Public!" This was in addition to the 20-foot banner that hung on the railing in front of the library, which increased the visibility of the exciting upcoming events to those that walked and drove by the Library. Additionally, each booth at the Fair had matching header signs to easily identify our partner – giving it a consistent look and feel – and making the map handout usable and easy to follow.

TECHNOLOGY

IT played a vital role in ensuring the success of the Library's PBW events, setting up equipment used by presenters, staff, and patrons, including computers, laptops, projectors, and audio equipment. This year we added the capability of uploading files to a cloud based file storage site, allowing presenters to upload large PowerPoint presentation files that could not be emailed due to file size restrictions and to do so at their own convenience. The Law Library then had the ability to access and run files on any library hardware with access to the internet.

Helpdesk and troubleshooting support was available at all times during the Saturday fair and for the week's events. IT staff also updated news feeds to promote attendance and set up audio and visual equipment for panel discussions, including a sound mixing board, 5 microphones, a laptop, projector, and projection screen.

WEBSITE

This year's website went through a minor redesign taking it from a one-page site to multiple pages to help with Search Engine Optimization (SEO) as well as being able to link to specific pages (e.g. Downloads).

Each class offered both at the Public Legal Services Fair as well as during the week has a short description visible, enticing the public to read more. If they click on the "Read More" button, a more in-depth version of the description is displayed as well as a

button allowing them to register for the class. The site can still be seen at: <http://probonoweb.lalawlibrary.org/>.

As in the past, the site was broken down into the following sections:

- Public Legal Services Fair
- Weekday Events
- Downloads
- Frequently Asked Questions (FAQ)
- Partners
- Sponsors
- Contact Us
- Past Events (Previous years PBW celebrations)

CONCLUSION

Pro Bono Week was a tremendous success, due to the hard work of nearly every employee at LA Law Library and dozens and dozens of volunteers.
