Dear Registered Borrower:

The Los Angeles County Law Library has identified unclaimed funds held in a trust account with the County of Los Angeles consisting of various deposits that have been unclaimed for three years or more, securing borrower accounts where no activity or request for refund has taken place for at least three years. In accordance with Section 50050 of the Government code, it is proposed that the unclaimed funds will become the property of the Los Angeles County Law Library. One of the identified accounts was in your name.

As an account holder, the following options are available to you regarding the deposit amount identified above:

1. Request your account to be reinstated. An additional deposit may be required.
2. Donate your deposit to the Library to help support its mission and provide services to those in need of legal assistance.
3. Request a return of your deposit. Any outstanding fees will be deducted from the return.

It is our intention to publish a notice of proposed disposition of unclaimed money on May 20, 2024 after which you will have 45 days to submit claim. If no action is taken, the funds will become property of the Los Angeles County Law Library.

To initiate a claim please complete the enclosed **CLAIM FORM** and return it to the Library.
